

MAREMED PARTNERSHIP

MAritime REgions cooperation for MEditerranean
A technical task force for maritime policies in Mediterranean

MAREMED

*is developed within the framework of the creation of an
integrated Mediterranean maritime policy
(COM (2009) 466 final - 11.09.2009)*

- Coordination of regional maritime policies, between themselves and with National, European and Mediterranean levels; strategy for next programming, answer to consultations for future EU actions,
- The project will target those constituents of maritime policy bearing an intrinsic transnational dimension;
- Governance
- Integrated Coastal Zone Management
- Pollution
- Adaptation to climate change in coastal zones
- Fishing
- Management of coastal and maritime data
- *The partnership with the CPMR will allow the results to be shared with the fifty Regions of its inter-Mediterranean Commission; and with the other commissions*

WILL BE CONNECTED TO OTHER MARITIME PROJECTS :

NEW WAY OF GOVERNANCE FOR EU PROJECTS

PEGASO: FP7; 23 partners 15 countries

ICZM governance platform as a bridge between scientist and end-user communities

MARTE + and RESMAR Programma Marittimo

MEDGOVERNANCE and COASTANCE MED Program

AQUA4B; Four basins integration of results; SUSCOD;
ANCORIM; CAMIS and MAREMED

DIAGNOSTIC PHASE GOVERNANCE

- *Creation of a database of the actors and skills of the partners to speed up the networking process*
- *Analysis of the governance of the maritime policies in the partnership*
- Questionnaire and report on the organisation of the management of maritime policies
- Special event with IMC, European and Mediterranean organisations

Internal Governance and budget

- Political representation for maritime affairs? And/ or for any MAREMED's themes?
- Official maritime policy with a publishable document ?
- One or different technical offices for maritime affairs and their thematics?
- Specialized budget or an earmarking action to identify the maritime budget
- Special mention in your international policy for maritime affairs?

Tools of Maritime policies

- Do you have a GIS for coastal management?
- Do you have a consultation structure with maritime activities representants?
- Do you have a regular consultation event or a regular publication for professional or public?
- What are the National and regional laws you use for each theme;

With other levels of governance

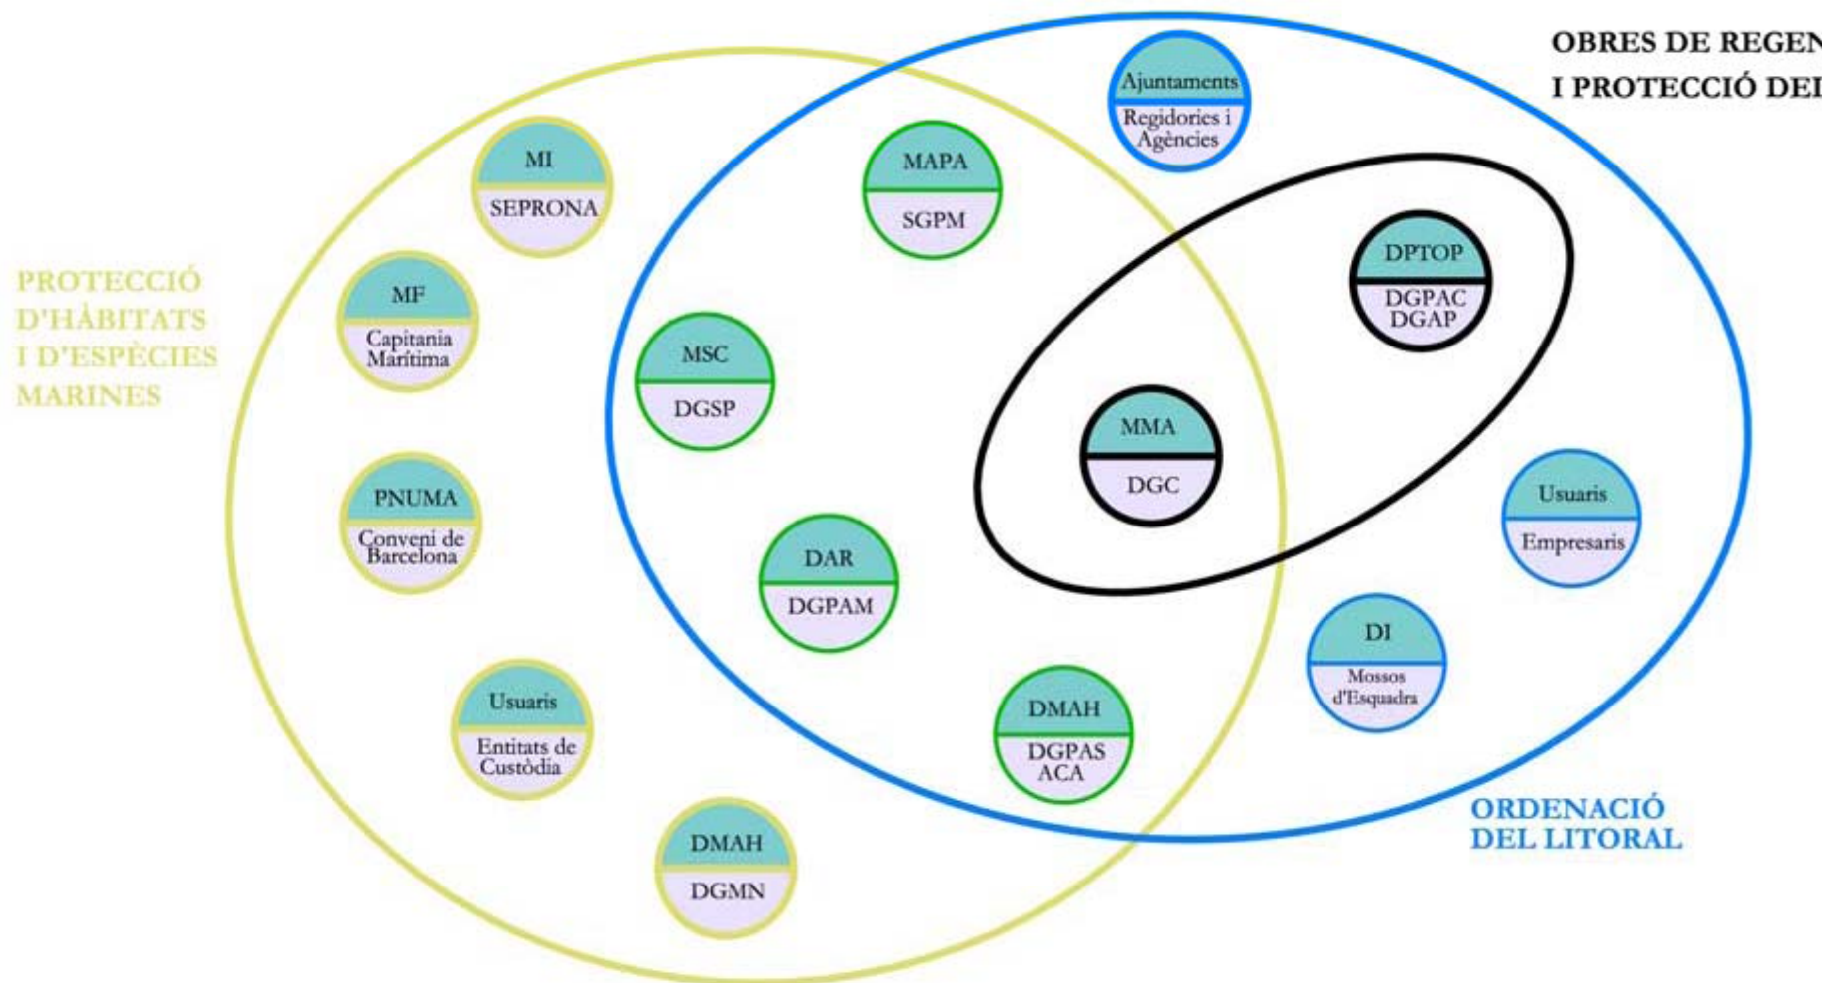

Common tools or formal relations for the management or data exchange with their State, EU, MAP or one of its RAC

Co-management of the themes of maritime policies with other levels of local government; stakeholders, professionals; NGOs

Relations with the research

Transnational governance; (agreements, networks, working groups...)
